

"Japanese Technology to the World"

We would like to express our sincere gratitude for your continued support and patronage.

Kyowa Koki Co., Ltd. has been contributing to the manufacturing industry as a specialized trading company for machine tools and tools since its establishment in Japan in 1950.

Currently, we have expanded globally with bases in China, Thailand, and Mexico, in addition to Japan.

The Japanese manufacturing industry has grown into a major industry that is recognized worldwide by leveraging wisdom and honing technology. The pioneers of the era rose together from the post-war period and passed on the baton of hope for the future to us Japanese.

Today, the manufacturing industry requires not only technological prowess but also the ability to compete on price, decarbonize, and make swift decisions globally.

We are committed to adapting to the changing environment and pursuing new possibilities while incorporating the evolving trends of the times.

We aim to propose the best possible products by integrating people, things, and information to create a future filled with hope and creativity for all humanity, where everyone can enjoy a rich and happy life.

With unwavering conviction like Mount Fuji and delicate yet powerful like the gushing spring water, we aspire to be the most reliable partner company that can lead everything to the future of our customers.

We will continue to strive to meet your expectations and trust as a specialized trading company contributing to the development of the global industry.

KYOWAKOKI CO., LTD.

Business Activities

To provide optimal product information and technology to various industries and fields of manufacturing, we have built a wide network with various manufacturers.

Our expertise covers a wide range of products, including machine tools, forging, pressing, and sheet metal machines, dedicated machines, and production equipment that enable various processing. We also handle cutting tools essential for cost reduction and quality maintenance, measurement and inspection equipment, environmental equipment that has been in high demand in recent years, robots, transportation and conveyance equipment, production management systems, and other diverse products indispensable to the manufacturing industry.

We bring the maximum introduction effect to our customers by proposing the optimal products, technology, and information tailored to their needs, along with aftercare support after introduction.

Main Products

PRODUCTION

Production Equipment, Tools, Measuring Instruments

Machine Tools

Lathes, Machining Centers, Grinders, EDM Machines, Honing Machines, Laser Processing Machines/Cutting Machines, Sheet Metal Machines, Injection Molding Machines, 3D Printers

Forging, Pressing, and Sheet Metal Machines

Forging/Pressing/Rolling, Gear Cutting Machines

Dedicated Machines, Machine Overhaul and Repair

Dedicated Machines, Machine Overhaul, Repair

Heat Treatment, Painting, Surface Treatment Equipment

Heat Treatment Equipment, Painting Equipment, Surface Treatment Equipment

Cutting Tools, Tooling

Cutting Tools/Tooling, Special Tools/Regrounding

Measuring Instruments, Fixtures

Measuring Instruments, Fixtures

AUTOMATION

Automation Systems, IoT, ICT

Automation Systems, Robots

Automation Systems/Robots, Automatic Supply Devices

CAD/CAM, Production Management Systems, IoT Related

CAD/CAM, Production Management Systems

Automated Guided Vehicles (AGV), Conveyance Equipment, Transportation Equipment

Logistics and Transportation Equipment

OTHER

Environmental Equipment, Special Equipment, Others

Environmental Equipment

Cleaning Machines, Environmental Equipment, Energy-Saving Equipment

Special Equipment

Transmission Equipment, Hydraulic/Pneumatic Equipment, Compressors, Bearings

Molds, Materials, Parts

Castings, Gears, Couplings, Springs, Parts, Mold Parts

Cutting Oil, Cleaning Liquid

Cutting Oil, Cleaning Liquid

Temporary Buildings, Tents

Temporary Buildings, Tents

Transportation, Foundation Installation Work

Machine Installation, Foundation Work, Transportation

【CHINA】

Company Name	SHINWAKOKI TRADING CO., LTD NANJING	
Location	Room 1906, Jinfeng Building, Zhongyang Road 19#, Gulou District, Nanjing, Jiangsu, CHINA	
Representative	HIROMI MASUDA	
Established	May 2007	
Capital	85 million yen	
Number of Employees	8	
Business Activities	Sales and import/export of machine tools, forging, pressing, and sheet metal machines, cutting tools, peripheral equipment, CAD/CAM, robots, and automation systems	
Contact	Japanese: SUMITO HIRUMA	Chinese: XU MEILIN *Inquiries in English are also accepted.
	TEL : +86(0)25-8355-2246 FAX : +86(0)25-8341-9905 e-mail : skc-info@kyowakoki.jp	
Activity Area	Mainland China
